WESTERN

Molded Fiber Nursery & Greenhouse Containers

Data Sheet — Revised 6/1/08

Page 1

Made from recycled paper. 
Biodegradable in the natural environment.

Small & Medium Containers *Ideal for potting bareroot roses and small fruit, shade or flowering trees. Also ground cover, liners, berries, deciduous and evergreen shrubs, perennials, broadleaf evergreens, conifers and field-dug plants. **Medium containers** are great for small specimen trees and for displaying B&B stock. Popular for patio and balcony gardening. Packaged in moisture-resistant plastic sleeves and available in bulk for large orders.*
